

## Kathleen and Keith Werner Pope Saint John Paul II Ambo Gift

Saint Andrew the Apostle Parish decided how to recognize the gifts made in support of the Sanctuary Renewal and will post plaques on either side of an icon of Saint Andrew the Apostle in the passageway leading from the Worship Center to the Priest Sacristy visible from the Entry Vestibule.

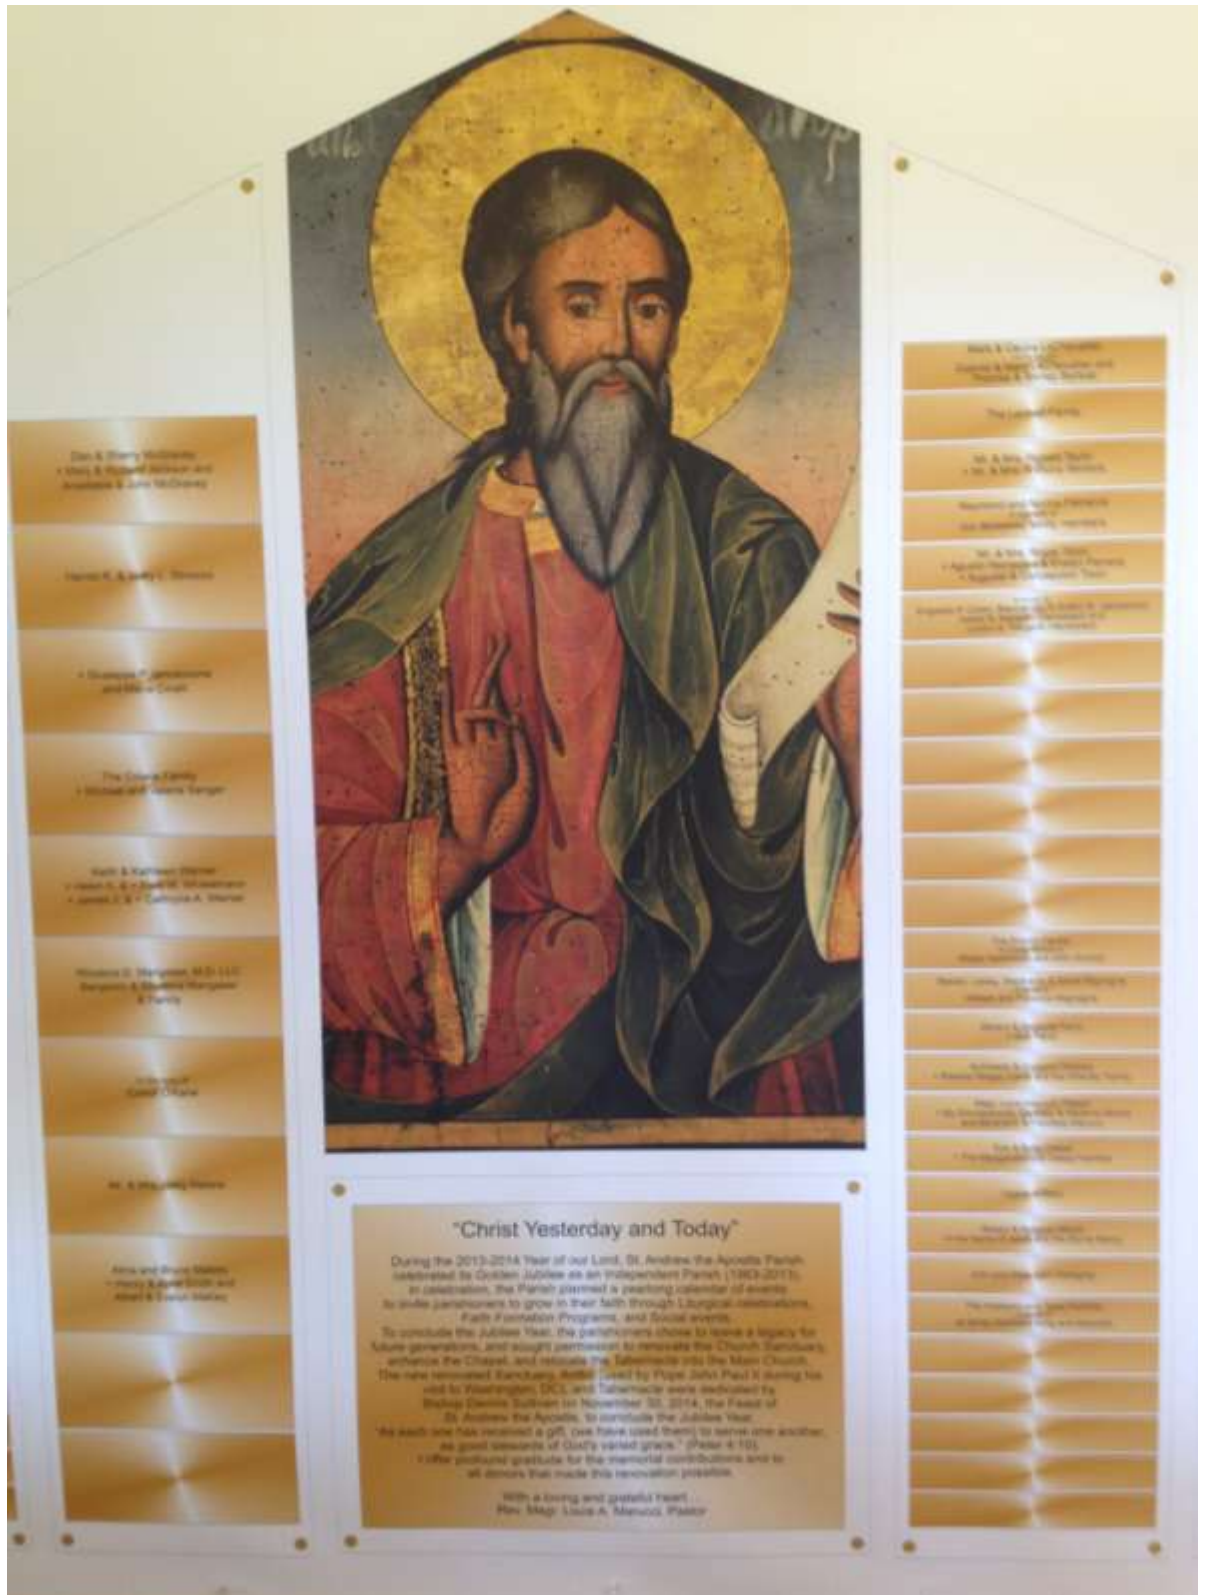

First is a photograph of the main center piece.

The major donors have the large plaques to the left of the picture.

Our donations for the Pope Saint John Paul II ambo with relic of his handling of a wooden podium on two occasions during his visit to Washington, DC via Andrews Air Force Base in October 1979 is the fifth plaque down from the top on the left.

We dedicated our donations in honor of our deceased parents, Helen A. & Fred W. Winkelmann as well as James J. & Cathryne A. Werner.

An enlarged picture of the plaque is on the next page.

+ James J. & + Cathryne A. Werner

On the far right side of the photo on the first page is a set of plaques specific to the items in the sanctuary renewal effort. There a plaque appears showing that our donation covered the work on the Ambo.
