

## **Kathleen Medical Status, Friday, 6/13/2014**

If you are just reading this, please consider reviewing the Kathleen Medical Status, 6/8/2014, 5/26/2014, 5/10/2014, 5/4/2014, 4/29/2014, 4/25/2014 and 4/21/2014, previously sent out and posted on FACEBOOK as well as on a web page at <http://www.pfmc.info/KathleenHealth.htm>.

Kathleen went into surgery about 2:15 PM and the doctor just finished his report on the completed surgery after about 5 hours of what he described as hard work. She has the antibiotic spacer installed in all the cavities with a really clean and tight zipper for closure. They did give her

As you know we had to cancel our visit to Omaha for the Duchesne 55<sup>th</sup> High School Reunion and a special 50 Years of Marriage Celebration on 1 June 2014. The events on 27 June 2014 here in NJ are still on even if we have to transport Kathleen to them by ambulance. Please see <http://www.pfmc.info/50Years.htm> and please RSVP.

Kathleen should be able to communicate on her cell phone, 1-856-261-4974, when the anesthesia clears and she can handle the pain. I check her e-mail, [pfmckmw@verizon.net](mailto:pfmckmw@verizon.net) when I have time for that.

We suggest holding the phone calls until at least Sunday evening and being patient for her voice or e-mail responses.

Thanks for all the prayers and good thoughts.

Keith, 856-261-4975, [keithwerner42@verizon.net](mailto:keithwerner42@verizon.net).
