

Kathleen Medical Status, Monday, 6/23/2014

If you are just reading this, please consider reviewing the Kathleen Medical Status, 6/13/2014, 6/8/2014, 5/26/2014, 5/10/2014, 5/4/2014, 4/29/2014, 4/25/2014 and 4/21/2014, previously sent out and posted on FACEBOOK as well as on a web page at <http://www.pfmc.info/KathleenHealth.htm>.

Kathleen has been transferred from Virtua Marlton Hospital to PowerBack Rehabilitation Room 305.

She is not happy with life with a straight left leg and NO urinary catheter. They have to roll her from side to side to change the bed and do all the normal things a patient has to go through. She has been out of bed on a few occasions with a great deal of difficulty moving from bed to chair. Today they lifted her with a Hoyer Lift and it did not go well.

As you know we had to cancel our visit to Omaha for the Duchesne 55th High School Reunion and a special 50 Years of Marriage Celebration on 1 June 2014. The events on 27 June 2014 here in NJ are still on even if we have to transport Kathleen to them by ambulance. Please see <http://www.pfmc.info/50Years.htm> and please RSVP.

Kathleen should be able to communicate on her cell phone, 1-856-261-4974, when she can handle the pain and reach her cell phone. I check her e-mail, pfmckmw@verizon.net when I have time for that.

We suggest holding the phone calls until the evenings when I can be with her and being patient for her voice or e-mail responses.

Thanks for all the prayers and good thoughts.

Keith, 856-261-4975, keithwerner42@verizon.net.
